

## **Reservoir High School Music Boosters Fundraiser**

**Use Promo Code: \_\_\_\_\_ to support \_\_\_\_\_**

During the month of December, take a break from cooking by placing a delivery order from CarryoutMenu and they will donate up to 15% of proceeds to the student's music boosters account. You are sure to find something you like as CarryoutMenu delivers from over 160 restaurants in the Baltimore Metropolitan Area and 45 local restaurants in our area. So this is a win, win fundraiser: You get a break from cooking and we get much needed funds to help our students!

Use the above Promo Code when ordering so your student's account will receive a percent of the sales. The more orders we place, the higher percent of sales they will pay us.

Helpful tips for using the CarryoutMenu service:

- 1) Orders can be placed online at [www.CarryoutMenu.com](http://www.CarryoutMenu.com) or by calling 410-772-1072
- 2) There is a \$20 minimum, a \$4.99 delivery fee and a tip, but otherwise their prices are the same as the restaurants.
- 3) Use the *Promo Code* when ordering
- 4) A delivery usually takes between 45-60 minutes. They will let you know at the time of ordering if deliveries are running longer than 1 hour (during rainy nights they take longer, etc)
- 5) All of the CarryoutMenu prices reflect a 3.5% cash discount, so anytime you use a non-cash payment (credit card, account) there is a convenience fee added to your order. You may want to use cash as much as possible.

Let CarryoutMenu bring dinner to your family tonight or any night in December! You can also order lunch at your office and we will still receive a percent of sales as long as the promo code is used!
